

**Flex Head Double Box End Ratcheting Wrench Set**  
**7 in 1**

**RH-2172**

- Hardened chrome vanadium steel construction which ensures strength and durability
- 72 teeth ratchet mechanism offers the ease of 5 degrees of backward swing angle to turn fasteners, versus 30 degrees on standard combination wrenches
- Precisely machined ratchet mechanism for better performance
- Flexible joint heads for working in hard-to-reach area
- Ideal for various applications and suitable for working on car, bike, motor mechanics and other appliances
